### FEATURES

QuadSweet genetics take flavor to a new level. Strong sturdy plant with excellent cold soil vigor. A new generation which is easier to grow and more remarkable to eat.

#### Disease Codes:

Et Northern Leaf Blight (*Exserohilum turcicum*)

NOTICE: Variety information presented herein is based on field and laboratory observation. Actual crop yield, quality, and level of claimed pest and pathogen resistances, are dependent upon many factors beyond our control and no warranty is made for crop yield, quality, and level of claimed pest and pathogen resistances. Since environmental conditions and local practices may affect variety characteristics and performance, we disclaim any legal responsibility for these. Read all labels and tags. They contain important information regarding conditions of sale. Including limitations of warranties and remedies.
